Why Astrana?

Astrana Health is transforming healthcare in Nevada with a strong local presence and a commitment to excellence. With 12 conveniently located clinics, 28 experienced primary care providers, and access to specialty care providers, Astrana offers brokers a comprehensive, high-quality network to confidently recommend to clients.

Your clients will benefit from access to 4+ star rated Medicare Advantage plans, ensuring top-tier care and satisfaction. Astrana's culturally aligned, multilingual care teams and seamless care coordination make it easier for patients to navigate their health journey—while giving brokers peace of mind.

As a publicly traded company (NASDAQ: ASTH) with a market capitalization exceeding $1.25 billion, Astrana Health brings financial strength, transparency, and long-term stability to the table. Operating across multiple markets, Astrana is a trusted partner in delivering value-based care that puts patients—and brokers—first.

.✦. Our Services .✦.

Did you know we offer more than just primary care?

In addition to comprehensive primary care services, we provide a wide range of additional treatments and procedures. Plus, some of our providers specialize in specific services to better meet your individual needs.

- **Clinical Nutrition:** The use of diet and nutritional strategies to manage and prevent medical conditions and promote overall health.

- **Endocrinological Illnesses:** Disorders related to hormone-producing glands, such as diabetes, thyroid diseases, and adrenal dysfunctions

.

- **Hormone Therapy:** Treatment involving the administration of hormones to correct imbalances or manage conditions.

- **Imaging:** Diagnostic techniques like x-rays and ultrasounds used to visualize internal body structures.

- **Immediate Care:** Rapid medical attention for non-life-threatening conditions that require prompt treatment.

- **Incision & Drainage:** A minor surgical procedure to release pus or pressure from an abscess or infected area.

- **Joint Illnesses and Injections:** Conditions affecting joints, such as arthritis, often treated with anti-inflammatory or pain-relieving injections.

- **Labs:** Medical tests conducted on blood, urine, or other samples to diagnose, monitor, or screen for diseases.

- **Mental Health:** The emotional, psychological, and social well-being that affects how individuals think, feel, and act.

- **Remote Patient Monitoring:** The use of digital technologies to track patients' health data outside traditional clinical settings.

- **Women's Wellness:** Comprehensive healthcare focused on the unique medical needs of women, including reproductive and hormonal health.

- **Weight Management:** A multidisciplinary approach to achieving and maintaining a healthy body weight through diet, exercise, and sometimes medical interventions.

Accepted Plans Through Affiliated Networks

For Medicare brokers assisting clients with plan selection, please note that our clinics accept a variety of health plans through affiliated and partner networks.

If a plan is **not directly part of our IPA**, it may still be accepted under a contracted network arrangement. We recommend verifying plan eligibility with the carrier or reaching out to our office for confirmation.

Our goal is to support you in helping your clients access high-quality care with clarity and confidence.
